Dennis - Thanks, I will take a look.

Janice - Can you print this so that I can review it during the fracking call.

Thank you - Shawn

Shawn, as a follow-up to our discussion yesterday, attached is what I hope is a final version of the CIP for Dimock. I tried to address the comments you gave me..... I think Trish and I hit the mark but of course if you have any further ones, just let me know. If you are OK with the document we will move immediately to post it on-line and place a hard copy in the repository with the Admin Record. Thanks, dennis.
